SIR,

With reference to your No 2304/310-07 dated 4th March 1914 calling for an Estimate and a plan in the matter of Constructing Nowl Krishnadevaraya chattram at Seringapatam, I have the honor to state that the Sub Division officer of French Rocks has been requested to submit a plan and an Estimate at an early date and the matter is under correspondence. Meanwhile, the owner of the site Mr Devoji Rao Pleader is urging for the payment of the value of the site acquired for the above purpose. I have seen the site. It is well suited for the purpose. In anticipation of sanction of Govt the site was acquired and half the cost was paid from the Coronation fund to the owner and half the site was utilized.

that purpose; the other half,
Rs. 225/, has still to be paid to him.
As the site adjoins the main road -
it is valuable and in the event of
not being used for the Chattram will

In these circumstances I submit that
the acquisition of the land may be sanc-

is requested as the owner is pressing for
